

ADMISPOL1/2022

ADMISSION POLICY

2022-

The admission policy of Knysna Primary School is consistent with the "Admission Policy for Ordinary Public Schools" published under Gen 2432 in GG 19377 of 19 October 1998GGB and the Constitution of RSA, SASA and applicable Provincial law.

1.1. DEFINITION

To provide specific guidelines for admission of learners to **Knysna Primary School / Knysna Pre-primary School**.

1.2. PURPOSES, AIMS AND OBJECTIVES

To control the number and age of learners so as not to exceed the capacity of the school, so that planning for the next year can be implemented.

1.3. STIPULATIONS

Whilst the School and SGB know that they may not unfairly discriminate against a learner on whose behalf an application is made for admission, and have no intention thus to discriminate, and whilst they are desirous of playing their part in the education of learners in partnership with the State, they appreciate that the School cannot accommodate all learners and that some process of (fair) discrimination regarding admission of learners is inevitable.

1.3.1. Therefore, and in view of the aforementioned, it is the School's policy that the following preference be afforded to applications –

1.3.2. Learners must be 6, turning 7 in the Grade 1 year. The learner's age should not exceed his Grade plus 6 for admission. It is the responsibility of the parent in terms of SASA3 (1) and section 3(6) to adhere to compulsory school going. (Until 15 years old or Gr. 9 or whichever comes first.)

1.3.3. In terms of par 30 of the National Admission Policy, learners who are in the school system, but who have become over-age because of repeating grades, may not be refused continued education at a school, but, when transferring from one school to another, may be admitted only with the approval of the circuit team manager. The prescripts and procedures are described in Circular 240/2003.

1.3.4. The learner should have completed a Reception year at a recognized Pre-School. The Pre-School Principal must sign the application form.

Knysna Primary School's, Pre-Primary should automatically enjoy preference.

1.3.5. The age of the learner should not exceed two years above or below the chronological average age of the Grade.

- 1.3.8. Learners must be able to comprehend and communicate in either of the two languages of learning and teaching provided by this school. The learner's home language should be either English or Afrikaans as this is the language of tuition.
- 1.3.9. Class sizes as determined by the SGB are: Knysna Pre-primary 25, Gr 1 to 3: maximum (25) children in a class plus 5 places reserved for children relocating or repeating. Gr 4 to 7: maximum (30) children in a class plus 5 places reserved for children relocating or repeating. The SGB under guidance of the GBF determined that due to the appointment of SGB staff, they may lower the learner/educator ration. Admission applications for the next school year takes place in the first quarter of the year as directed by the WCED. Knysna Primary reserves the right to keep a minimum of five (5) spaces available per class per grade after the early applications have been processed.
